MARY
Where's my red handbag?

RACHAEL

documents.

Mary walks to the wardrobe and opens it.

MARY
Oh God, please help me find that
bag.

Mary brings down all the handbags as she continues her search.

MARY (CONT'D)
The red handbag isn't here.

RACHAEL
Mary, I'm tired; I've been
searching for this bag with you
since morning. I need to rest.

Rachael drops the handbag in her hand on the floor and walks out of the room.

EXT. MARY'S HOUSE - GARAGE - DAY 3

Mary reads a magazine; Rachael walks to her, she collects the magazine and tears it.

SUPER: Two Days Later.

RACHAEL
You're here reading a magazine.

MARY

Rachael, what's the meaning of what you just did?

RACHAEL

The meaning of what I just did is to let you know that Victoria has sold this house.

MARY
